

Haywood County Beekeeper's Chapter

Board Meeting Minutes

April 5, 2016

Location: Haywood County Extension

Officers Present: Allan Blanton, President; Rich Beyers, Treasurer; Vicki Morrison, Secretary; Jon Serenius, Webmaster; Carrie Keller, Director; Cindy Way, Director; Al McNeely, Director; Rich Queen, Director.

Call to order 7pm

Rich handed out the financial report for April. He says there are bee magazines for donations that were donated by Shannon Roberts.

Rich and Diane have a friend in NY that makes T-shirts and can make some for the HC Bee club. We were shown examples of what we can have done and all were in favor of getting the T-shirts made.

Rich says that Jack Hanel would not accept the check we gave to him. He would only accept an 'honorary lifetime membership'. We voted in favor of allowing this.

Jon says the website still does not work. Dave Mattingly will meet with Jon on Sunday to work on the website.

Jon needs volunteers for the Appalachian Lifestyle Celebration on June 11 in Waynesville from 10-5pm. We will have an observation hive and members can sell their honey at the booth.

Allan says that Carolina Readiness wants us to teach Basic Beekeeping April 29th and 30th at the Fairgrounds from 1:30 to 2:30. You can get service credits for doing this.

Meeting adjourned
